Birthday: Al Gee, January 8.

Anniversary: Frank Race, January 12, 1949 - quite a milestone of 35 years!

For Health & Welfare, it is noted that Joe Sterner is in the hospital and having tests. Our prayers are with you, Joe, and we trust that you will be back in good health soon.

President Bob DeMeulenaere read a thank you letter from Teresa Jones. She stated that she wanted to thank the Kiwanians for making it possible for her to be a part of her Girl Scout troop.

Inter-Club:

Our next Inter-Club will be held with the Metro Kiwanis Club on Thursday, Jan. 19, 6:15 p.m. at the Embassy Club. Keep in mind that one of the goals for Kiwanis this year is for every member to participate in at least one Inter-Club.

Door prizes are needed. If you or your company has a suitable item for a door prize, please contact the President.

Program January 11:

The singing group called "Colgate 13" from Colgate University in Hamilton, New York, presented a fine program. The group was founded in 1942 and has maintained its tradition of close harmony entertainment over the years. The present group is traveling throughout the United States visiting 17 cities in 30 days. Their variety of musical selections combined with their close harmony made for a very entertaining and enjoyable program.

FEATURED KIWANIAN OF THE WEEK: BLAKE BALES

Blake Bales, a resident of Cedar Rapids for the past 25 years, is Vice President of Merchants National Bank. He and his wife, Donna, have two children, Brian and Janet. Blake, a Hawkeye, attended the University of Iowa. He is a member of the Chamber of Commerce and the Administrators Managerial Society. His main hobby is photography. Blake is one of the seven new members that have recently joined our club. For us "oldtimers" it is important that we introduce ourselves to these gentlemen and get to know them better.

Remember, January 25 has been designated another Membership Roundup Day.

Program for January 25:

Hear ye, hear ye...Next week's program is another Membership Roundup Day. Bring your guests. The excitement is high. The time is now. Kiwanis is on the move. Don't miss the train. Come where the action is!

Birthday: Even though Tim Terry's birthday is not until February, he was recognized this week.

Craig Maurer reminded us that this is National Blood Donor Week and encouraged members to come out and donate. The Citizenship Committee is also investigating the possibility of organizing a club project in this area.

Our door prize winner was Captain Ed Seger--quite fitting. Not only was Wednesday his last day at Kiwanis, but he also presented an excellent program concerning the problem of alcohol. He pointed out that as little as 1 oz. of alcohol begins the cell destruction process in our bodies, and these cells are never restored. He pointed out also that when 62% of the liver is destroyed, sclerosis of the liver results, and death becomes inevitable. A fact that may not be well known is that alcohol destroys the immunity ability of the body. A sobering program that can significantly impact all of our lives. In answer to a question concerning the education of young people, Ed pointed out that the best way is through the example that adults set. Our prayers and best wishes go with Captain Seger and his wife, Lee, as they move to Omaha. He certainly has left his mark on our club and our community.

The Health and Welfare Chairman and committee desire to keep informed concerning the health and welfare status of all Kiwanians. It would be very much appreciated if anyone who knows of a Kiwanian who is ill or hospitalized would contact the chairman. During the next three weeks when Bob Rush is on vacation, please call John Palmer at 363-5844, who has graciously taken this responsibility. Remember--we care about you!

February 1 program:

Dave Nagle, Iowa Democratic Party State Chairman, will give a bi-partisan talk about the Iowa caucuses.

* * * * * ANNUAL FARMERS' BREAKFAST MARCH 17, 1984 * * * * *

The inimitable Bob Creel, Chairman of ticket sales, announced that this year's team captains are: Dick Lee, Sandy Batchelor, and Ed Colton. He reminded us all that our responsibility is to buy or sell a minimum of 20 tickets each, and much more would be greatly appreciated. These will be sent to you in the mail, so get ready to be a top ticket seller this year!

Bill Jameson announced the possibility of a CPR program at Mercy Hospital for our Kiwanis Club. Dates are being investigated. This would provide an excellent opportunity to receive this very important instruction at a minimal cost. He also introduced Dr. Ralph Plagman, Principal of Washington High School, who expressed praise to our Kiwanis Club for providing the electric wheelchair for student, Ron Bruce, at Washington. He pointed out that there are four students who presently attend Washington in wheelchairs. It's a great feeling to be a part of helping a student to go on and achieve the things he aspires to achieve.

February 1 program:

David Nagle, Chairman of the State Democratic Party, gave some real insights into the Iowa Caucuses, explaining to us why he so strongly wanted the February 20 date for the state caucuses and how the caucus system builds a strong political party system--a very informative program.

* * * * * NEW KIWANIAN PROFILE: KEN DEKOCK * * * * *

Ken DeKock and his wife, Lynn, both grew up in Tipton, Iowa. Ken is a 1977 graduate of the U. of IA, then moved to Cedar Rapids to take a position with McGladrey Hendrickson accounting firm. Recent Board action included: Approving of new members: Jim Danskin, Greg Lewis, James Nehring, and Jim Cutler.

The Board accepted with regrets the resignation of Tom Herzog as Secretary and accepted Bob Gable as the new Secretary.

The Board approved up to \$300 to purchase state and U. S. flags at Kirkwood College to be used by Circle K and other campus organizations.

The board is interested in determining whether or not there is sufficient interest to start a Kiwanianne Club. This would be open to wives and widows of Kiwanians and to other women who desire to be a part of the service impact of Kiwanis. If you have strong feelings, see President Bob DeMeulenaere about starting such a club.

The Board has approved doing a joint service project with Circle K in providing a party on April 25 for the residents of the Linn County Home.

John Little, Spiritual Aims Committee Chairman, desires to know if you would be willing to lead in invocation at club from time to time. If so, please contact him.

Meeting for February 8: Paul Eaton, Head Coach of the Cedar Rapids Swim Club, reviewed with us the program that is being developed. Presently 80 members are involved in the club, ages 6-21. Major Leilon Ball

We are pleased to officially welcome these men to our club!

Program: Christian Tiemeyer, Cedar Rapids Symphony conductor, introduced the "New Notes," a singing group out promoting the C. R. Symphony. They harmonized beautifully on several numbers and concluded with the exhortation to get involved in the Symphony "Gold Rush of '84." Mr. Tiemeyer highlighted the fact that the symphony presents five areas of performances: concert series, family concerts, youth concerts, some special concerts such as the Messiah presentation, and then the pop concerts. We discovered that Mr. Tiemeyer is not only an excellent conductor, but also a teacher as he involved the Kiwanians in a short conducting course using straws--a very enjoyable program.

Jim Oetken's son, Paul, was honored again for being one of the outstanding students in the city. Our congratulations!

CPR Class registration has been slow. But following the announcement of who to make the check to, several raised their hands. A guarantee of 10 is needed to have the class. Cost is \$7.50. You can register by making your check out to Mercy Hospital and giving it to Warren Rogers or Bill Jameson. The dates for the class are April 11 and 18.

FARMERS BREAKFAST UPDATE:

Chuck Murphy reports over \$5,000 in receipts has been deposited. Some ticket money is still not turned in. Please do it this week. Mail your check to Duane Kurrelmeyer, Cedar Rapids Kiwanis, Box 614, Cedar Rapids. Our unofficial team leader is Sandy Batchelor with 744 tickets sold.

* * * * ATTENTION ALL GOLFERS * * * *

The Iowa State Kiwanis Annual Golf Tournament will be hosted by the Boone Day-breakers and Boone Noon Kiwanis Clubs. The date is Monday, June 11, 1984. Entry forms will be mailed to us soon.

March 28 program featured Mrs. Milly Barthels, 1982 Mother of the Year. She reminded us that we have the responsibility of choosing the attitudes we have toward our children and spouses. If there are barriers between people, we should be the ones to initiate action to restore the relationship. Mrs. Barthels had some good food for thought for all of us.

Program for April 11:

Police Chief Ray Baker will discuss Operation Crime Stoppers. He will also comment on some unusual entrees in the booking logs - of 100 years ago!

Board Meeting April 3; TWO NEW MEMBERS! SPONSOR LIBRARY SUMMER PROGRAM.

Be sure to give your personal welcome to Mark Krapfl and Wes Nygren. The board also voted \$450 towards the C.R. Library Youth reading program.

Birthdays: Rich Siewert, April 1; Bob DeMeulenaere, April 4, & Adolph Helm, April 6.

Anniversaries: Mike Wilson, April 4, 1974; Chuck Loomis, April 7, 1948 (36 years!)

April 4, meeting:

Dr. Newhall, the not-so-retired visitation minister at St. Paul's Methodist Church, shared with us his 42 year's experience as a man of God. His personal experiences with suffering included a 19-year-old son one week out of college diagnosed with terminal cancer. He has come to feel that our Christian faith does not try to give us a supernatural cure for our sufferings so much as the strength to deal with them. He proposed the best cure to life problems as making a firm decision to be God's man--no matter what.

We Build (Kiwanis Motto): Let us build with our words as well as our deeds!

The following message is so important I feel it warrants the Will Rogers treatment: "Tell 'em what you are going to tell them. Tell them. Then tell them what you've told them:"

O Give Me a Home...Being a city boy, the roaming buffalo, playing antelope, and cloudless skies just didn't turn me on. But which of us wouldn't leave tomorrow on foot for a land "where never is heard a discouraging word."

The trouble with management by exception is that it usually includes only the bad. To quote one vulgarian: "The only list at this company is the s--- list. If you're not on that list, you're not on any list!" I propose for your imitation a "Shinola" list recently started at the old Forge shop: Four workers and an electrician were awarded jackets and letters of commendation for their work on a new emergency warning system. And this week I overheard a manager commending an employee for his professional witnessing at a court trial where our company is being sued. All workers mentioned are blue collar.

We would do well to make the resolution Rev. Larry Johnson made before his congregation last Sunday, "From now on I am going to be an encourager." Larry's church bulletin started with the following food for thought:

Suppose someone gave you 10¢ for each kind word you said, and collected 5¢ for each UNKIND word you said. Would you be rich or poor?

Program APRIL 25:

April 20, 1984
Editor: Bob Dye

By now, you know that each week an informative and interesting program is planned. This mystery program is no exception!

BIRTHDAYS: Duane Kurrelmeyer - April 19; Craig Maurer also celebrates an April birthday.

ANNIVERSARY: Duane Kurrelmeyer - 4/17/74.

Inter-Club: It's time to get out of town for an Inter-Club. Rich Siewert is coordinating our next Inter-Club with the Iowa City Kiwanis on Tuesday, April 24. Those desiring to go should meet at the Roosevelt Hotel entrance at 11:15 a.m. It would be a good idea to call Rich if you are going.

A service opportunity with Circle K: On Wednesday, April 25, 6:30 - 8:30 p.m., our club and Circle K will be providing a party for the residents at the Linn County Home. Jim Outler and Mark Kraphel are our club coordinators. Members are needed to go and play table games, hand out prizes, and assist in the evening activities. There's a need for prizes also. It would be most helpful if members could bring those items to the club next Wednesday.

Health & Welfare:

It was good to have Rudy Silvers back with us. O. R. Fahrney is still hospitalized and in need of our prayers.

Program April 18:

This week's program was presented by our Citizenship Services Committee. Mike Wilson explained why the committee chose the Pheresis Program as a club project. Barb Moore, Director of the Mercy Hospital Blood Bank, explained the need that exists for donors in this program. The difference between regular blood donor program and pheresis is that this program only extracts the platelets from our blood. This process takes 1½ - 2½ hours. The speaker pointed out that the donor's body quickly replaces the components drawn out in pheresis. Club members are encouraged to sign up and be donors. The recipients of platelets are leukemia and cancer patients. Contact Mike Wilson if you want more information and desire to be a donor.

The Message of EASTER

What is this mysterious, strange, joyous influence that seems to permeate everything at this time of year...that lingers, like a sweet perfume, delicate and clean, to touch us all with its magic? It is an intriguing thing...intangible, yet real.

We feel it...

sense it...

thrill to it.

There is more to it than bunny rabbits and colored eggs

and bright new clothes.

Easter is more than a celebration

because the sap is rising in the trees...

and the bare branches are slipping bright green rings on bony fingers...

and blossoms are turning wood and garden into fairyland.

Easter is more than a spring festival.

So far as Christians are concerned, the message of Easter is contained in the declaration

"Christ is Risen!"

SUPER EVENT AT BRUCEMORE JUNE 17, CIRCLE YOUR CALENDAR!

Natalie Hala, staff administrator for Brucemore, told of great things being brought about by the Cedar Rapids-Marion Fine Arts Council, including music groups, drama, and much much more. Those in attendance last year are eager to return.

HAPPINESS FOUND FOR ALL AT LINN COUNTY HOME LAST WEDNESDAY NIGHT!

About 25 Kiwanians and family members along with a dozen Circle K Members teamed up to spread their joy to about 100 residents at the Linn County Home. They all sang while Mark played his prize-winning sax and Angie nursed the piano. Guy Ames led this chorus, and the evening was rounded off with Monopoly. Guy's wife said Guy reported home minus his voice last night -- lost to a good cause.

INTERCLUB LAST TUESDAY AT IOWA CITY!

Seven of our members went down and heard a very interesting presentation by their County Assessor. Their president was enthusiastic about possibly starting a Circle K Club on the University of Iowa campus. He teaches ROTC there and commented "I was surprised they did not have one when I got here. It's a natural." Perhaps our Circle K Club could go down and tell them all about their club.

Next week's meeting will feature guest Claudia Wolfe and the work at the United Cerebral Palsy Center.

Wednesday's meeting, May 9, had 68 in attendance. However, 20 were guests and participated in the Industrial Arts Awards Program. At the program, Don Nau in his introductory remarks thanked the club for providing this awards program for 22 years. During this time, 2,300 students have been recognized. He also pointed out that 30% of those involved in the program have gone on to 4-year colleges, and 27% on to 2-year vocational schools. The students displayed some outstanding workmanship. Projects included a drafting board, checker board, lamps, clocks, computer stand, microwave oven stand, gyroscope, billows, and a cannon. An interesting sidelight was that the program was videotaped and will be aired on Channel 10 before June 1.

Once more the day is here when we
remember those
Who, loving life, responded to
their country's call,
Who turned their backs on ease,
and gave their all.
These we remember.

Their readiness to risk, to take
a chance,
The courage and the valour they
displayed,
The blood they shed, the lives
they gave, We will remember.

For the hardships they endured,
For the pain and anguish suffered,
For the loneliness they bore,
We thank them.

For resisting vile temptations.
For defending truth and right,
For upholding justice, linked with
mercy,
We honor them.

The noble cause for which they bled & died,
The cherished freedom, honor, they secured,
These ever we shall treasure and preserve.
We will remember. (Author unknown)
